

casualty insurance policy, as certified by the insurer pursuant to § 50.83(d)(2);

(2) Any amount of the proposed settlement is attributable to punitive or exemplary damages intended to punish or deter (whether or not specifically so described as such damages);

(3) The settlement amount offsets amounts received from the United States pursuant to any other Federal program;

(4) The settlement amount does not include any items such as fees and expenses of attorneys, experts, and other professionals that have caused the insured losses under the underlying commercial property and casualty insurance policy to be overstated; and

(5) Any other criteria that Treasury may consider appropriate, depending on the facts and circumstances surrounding the settlement, including the information contained in § 50.83.

(d) *Settlement without seeking advance approval or despite disapproval.* If an insurer settles a cause of action or agrees to the settlement of a cause of action without submitting the proposed settlement for Treasury's advance approval in accordance with paragraph (a) or (b) of this section, and in accordance with § 50.83 or despite Treasury's disapproval of the proposed settlement, the insurer will not be entitled to include the paid settlement amount (or portion of the settlement amount, to the extent partially disapproved) in its aggregate insured losses for purposes of calculating the Federal share of compensation of its insured losses, unless the insurer can demonstrate, to the satisfaction of Treasury, extenuating circumstances.

**§ 50.83 Procedure for requesting approval of proposed settlements.**

(a) *Submission of notice.* Insurers must request advance approval of a proposed settlement by submitting a notice of the proposed settlement and other required information in writing to the Terrorism Risk Insurance Program Office or its designated representative. The address where notices are to be submitted will be available at <http://www.treasury.gov/trip> following any certification of an act of terrorism pursuant to section 102(1) of the Act.

(b) *Complete notice.* Treasury will review requests for advance approval and determine whether additional information is needed to complete the notice.

(c) *Treasury response or deemed approval.* Within 30 days after Treasury's receipt of a complete notice, or as extended in writing by Treasury, Treasury may issue a written response and indicate its partial or full approval or rejection of the proposed settlement. If Treasury does not issue a response within 30 days after Treasury's receipt of a complete notice, unless extended in writing by Treasury, the request for advance approval is deemed approved by Treasury. Any settlement is still subject to review under the claim procedures pursuant to § 50.50.

(d) *Notice format.* A notice of a proposed settlement should be entitled, "Notice of Proposed Settlement—Request for Approval," and should provide the full name and address of the submitting insurer and the name, title, address, and telephone number of the designated contact person. An insurer must provide all relevant information, including the following, as applicable:

(1) A brief description of the insured's underlying claim, the insured's loss, the amount of the claim, the operative policy terms, defenses to coverage, and all damages sustained;

(2) A certification by the insurer that the settlement is for a third-party's loss the liability for which is an insured loss under the terms and conditions of the underlying commercial property and casualty insurance policy;

(8) The amount received from the United States pursuant to any other Federal program for compensation of insured losses related to an act of terrorism;

(9) The proposed terms of the written settlement agreement, including release language and subrogation terms;

(12) Such other information that is related to the insured loss as may be requested by Treasury that it deems necessary to evaluate the proposed settlement.

#### **§ 50.84 Subrogation.**

An insurer shall not waive its rights of subrogation under its property and casualty insurance policy and preserve the subrogation right of the United States as provided by section 107(c) of the Act by not taking any action that would prejudice the United States' right of subrogation.

#### **§ 50.85 Amendment related to settlement approval.**

Section 107(a)(6) of the Act, added December 22, 2005, provides that procedures and requirements established by the Secretary under § 50.82 (as in effect on the date of issuance of that section in final form) shall apply to any cause of action described in section 107(a)(1) of the Act.

#### **§ 50.90 Cap on annual liability.**

Pursuant to Section 103 of the Act, if the aggregate insured losses exceed \$100,000,000,000 during any Program Year:

(a) The Secretary shall not make any payment for any portion of the amount of such losses that exceeds \$100,000,000,000;

(b) No insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceeds \$100,000,000,000; and

(c) The Secretary shall determine the *pro rata* share of insured losses to be paid by each insurer that incurs insured losses under the Program.

#### **§ 50.91 Notice to Congress.**

Pursuant to section 103(e)(3) of the Act, the Secretary shall provide an initial notice to Congress within 15 days of the certification of an act of terrorism, stating whether the Secretary estimates that aggregate insured losses will exceed \$100,000,000,000 for the Program Year in which the event occurs. Such initial estimate shall be based on insured loss amounts as compiled by insurance industry statistical organizations and any other information the Secretary in his or her discretion considers appropriate. The Secretary shall also notify Congress if estimated or actual aggregate insured losses exceed \$100,000,000,000 during any Program Year.

#### **§ 50.92 Determination of *pro rata* share.**
